

Hello, Neighbor!

My name is _____ ; I'm a neighbor of yours and a volunteer for a non-profit group called **Operation Help A Hero** (OHH). OHH's current project, Operation Rack Pack, is working to support 600 local Marines (29 Palms' 3/4 Marines) returning from a 7-month deployment to Afghanistan.

Did you know that many young, single Marines return home with no one to greet them? Many have all their belongings in storage and don't have any clean clothes, food or toiletries to clean themselves up. Operation Rack Pack will provide each of these young men with clean rooms, welcome home posters, and gifts to show our appreciation for their sacrifice. These tokens of thanks will be staged in each of the barracks rooms for 3/4 prior to their return.

If you would like to contribute to our drive, please simply leave your donations by your door on _____ with this flyer.

(or drop off donations right at my door at _____)

Your donation is tax deductible. PLEASE INCLUDE YOUR NAME AND ADDRESS # ON THE FLYER BELOW SO WE CAN THANK YOU AND LEAVE A TAX RECEIPT.

Thank you so much for your support of our local Marines. Please see our wish list below or check out our website for a current count of items most needed at www.operationhelpahero.com.
